

HONORING THE LIFE OF DR.
ELNARDO WEBSTER

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. PAYNE. Madam Speaker, I rise today to pay tribute to Dr. Elnardo Webster after his passing on March 22, 2022. Elnardo was a beloved School Superintendent, devoted husband and father, and a proud member of the West Orange community.

Dr. Webster was born on March 6, 1948, in Jersey City, NJ. He earned a B.S. and M.A. from Saint Peter's University and, in 2000, he received a Doctorate in Educational Leadership from Seton Hall University. While a student, he played a pivotal role on the renowned 1967–68 "Run Baby Run" men's basketball team. Dr. Webster went on to play professional basketball for seven years with the New York Nets, Memphis Pros, Italy, Spain, Switzerland, and Eastern League for the New York Knicks. In 2018, Dr. Webster was named to a list of the top 25 men's college basketball players in New Jersey's history.

Following a distinguished career in education, Dr. Webster retired as superintendent for Roselle Public Schools and became a consultant for the Commissioner of the New Jersey Department of Education as a Highly Skilled Professional. Of late, Dr. Webster served as director for Saint Peter's Center for After School and Expanded Learning (C.A.S.E.L.). He was a former council member of the West Orange Township Council and a former commissioner of the Hudson County Freeholders.

Dr. Webster also served as a member of the Board of Trustees at Saint Peter's University, a member of the Trustee Board of the Ethics Committee New Jersey Supreme Court District VI, a member of the Board of Trustees of the Urban League of Hudson County, a member of the King Solomon Masonic Lodge No. 19, and a member of the National Sorority of Phi Delta Kappa Alpha Chapter Anthropolos. He will be greatly missed by his wife Sandra Webster, his two sons Elnardo and Damarko Webster, and his entire extended family.

Madam Speaker, I ask the House of Representatives to join me in celebrating the life of Dr. Elnardo Webster.

SAFEGUARDING TOMORROW THROUGH ONGOING RISK MITIGATION TECHNICAL CORRECTIONS ACT

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 30, 2022

Ms. JACKSON LEE. Madam Speaker, I rise in strong support of H.R. 5673, the Safeguarding Tomorrow through Ongoing Risk Mitigation Technical Corrections Act.

This bill revises provisions related to the hazard mitigation revolving loan fund program, by requiring capitalization grant recipients to supplement these two most recently published editions of relevant building codes, specifications, and standards.

The Safeguarding Tomorrow through Ongoing Risk Mitigation Act authorizes the Federal Emergency Management Agency (FEMA) to enter into agreements with any state or Indian tribal government to make grants for the establishment of hazard mitigation revolving loan funds.

The funding would enable local governments that carry out projects to reduce disaster risks for homeowners, businesses, non-profit organizations, and communities to decrease the loss of life and property, the cost of insurance claims, and federal disaster payments.

The Infrastructure Act of 2021 provides \$500 million to the STORM Act, or \$100 million per year for five years.

This new FEMA grant program finances water, wastewater, infrastructure, disaster recovery, community, and small business development projects.

This revolving loan fund can be utilized for projects intended to protect against wildfires, earthquakes, flooding, storm surges, chemical spills, seepage resulting from chemical spills and floods, and any other event deemed catastrophic by FEMA.

This legislation makes a huge impact on the nation's efforts to prevent and recover from natural disasters.

My community, the 18th Congressional District of Texas will benefit greatly from this bill. Houston's Hurricane Harvey wreaked \$125 billion in damage to the Houston area.

Houston's Third and Fifth Wards and in surrounding communities of Baytown and Gulfport, took the brunt of flooding damage due to Hurricane Harvey in 2017.

In February 2021, many of these same neighborhoods endured a much higher rate of power outages from Winter Storm Uri.

These low-interest loans will allow for cities and states to repay the loan, with savings from mitigation projects.

It also gives states the flexibility to prepare for oncoming disasters without paying high-interest rates.

They can invest in their communities—cutting red tape and they will no longer have to wait on the federal government.

For my district, and others living on the coast, it is not a matter of "if" a hurricane will strike our coast, it's a matter of "when" it will strike.

I ask my colleagues to join me in voting for H.R. 5673 because hazards are going to happen and we must do everything we can to protect our people.

We need the Safeguarding Tomorrow through Ongoing Risk Mitigation Act.

REMEMBERING BRENDA HARRIS

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mr. GARAMENDI. Madam Speaker, I rise today to honor the life of Brenda Harris and her legacy as an educator and a civil rights champion. Patti and I are deeply saddened by Brenda's passing, and our hearts are with her family during this difficult time.

In 1951, Harris was born in Montgomery, Alabama as the daughter of civil rights activists. After graduating high school, Harris moved to California to study communications and sociology at the University of San Francisco (USF). In 1972, Harris began to immerse herself in the world of education through tutoring at Benjamin Franklin Middle School and counseling through Junior League. She went on to receive a master's degree in administration and her elementary and secondary school teaching credentials. In 1990, Harris' efforts culminated in her appointment to the position of Education Program Consultant by Dr. Shirley Thornton, Deputy Superintendent of Specialized Programs at the California Department of Education.

As the daughter for civil rights activists, Harris was keenly aware of the disadvantages that underprivileged communities faced. While

continuing her successful work as an educator, she took up her parents' cause and became an impactful advocate for improving education in minority and economically disadvantaged neighborhoods. This led her to become a member of USF's Board of Trustees, where she was committed to supporting USF's mission of social justice.

In 2018, she was awarded the Engage San Francisco Community Partner Award for Western Addition Changemakers. Harris' life work undoubtedly had an indelible positive impact on countless students in California and inspired those around her. She will be deeply missed, and Patti and I send our condolences to the Harris family.

IN RECOGNITION OF THE 50TH ANNIVERSARY OF THE POLISH AND SLAVIC CENTER

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 31, 2022

Mrs. CAROLYN B. MALONEY of New York.
Madam Speaker, I rise to pay tribute to the

Polish and Slavic Center (PSC) on the occasion of its 50th anniversary. For five decades, PSC has promoted the culture and heritage of Poland, whilst providing a broad range of services and opportunities to the Polish American community.

Working alongside Polish immigrants who had just arrived in New York City, Reverend Longin Tolczyk established PSC in 1972. In the 50 years since, PSC has expanded rapidly, becoming an important cultural institution for the Polish-American community in the tri-state area and has over 40,000 members.

Over the course of this period, PSC has continuously expanded the services it provides to the local community. For over 48 years, the Extended Social Services Program has provided information and assistance for elderly Polish and Slavic-Americans, in matters as varied as social security, healthcare, and housing. PSC further assists seniors by providing daily low-cost meals at the Krakus Senior Center and John Paul II Friendship Center.

Since 1994, PSC has expanded its reach by providing immigration and legal support. Through its bilingual services, PSC works to provide free legal aid to all members of the community. Beyond these services, PSC offers ESL classes each year to over 100 re-

cently arrived immigrants, and a scholarship program for Polish and Slavic-American youth seeking higher education degrees.

PSC works to provide enriching cultural experiences for all, partnering with both established and emerging Polish and Slavic-American performers to host exhibitions, concerts, and other cultural events. PSC seeks to inspire creativity and confidence in the younger generation through programming for aspiring young artists.

As PSC enters its sixth decade, it plans to continue expanding its services. A 3-K for All Preschool Program will serve the growing population of young Greenpoint families. PSC also plans to open a new cafeteria at its 177 Kent Street location. To enhance its cultural programming, PSC intends to renovate its old church premises into a modern venue for holding concerts, conferences, and community gatherings.

Madam Speaker, I ask that my colleagues join me in celebrating the ongoing work of PSC for the Polish and Slavic-American community. For 50 years, it has made a significant contribution in making New York the vibrant city of immigrants and diverse cultures that exemplifies the promise of the United States and the American Dream.
